## Activities

This month we have visited Jempsons for a spot of shopping followed with a nice hot drink and cake.

## Meet the team!

This month we are meeting Aimee!

Aimee joined us this year and is our Activities co-ordinator and a Level 3 qualified care assistant.

Aimee enjoys meeting up with her friends and family and has a cat called Cupcake.

Each Monday we get motivated with some chair exercises in the drawing room

Also, this month we had our regular visit from the flying fryer. Fish and chips cooked fresh right outside our door!

Ann, Jim and Maureen all celebrated their birthdays with us this month! We wish them all many happy returns 😊
